Innovation in Action

Trade In, Trade-Up

Trade In & Trade Up with Sodick Sodick Offers the Best Trade In Values on Any Brand

Optimize Your Productivity

Swapping out old technology for new equipment benefits manufacturers in a number of ways, not only improving cycle times, but also reducing scrap rates and maintenance costs.

Trade-In Benefits:

- * Faster Cutting Speeds
- * Superior Surface Finish
- * Improved Accuracy
- * Ultimate Reliability

All Machine Brands

Even if you don't currently have a Sodick, we are happy to trade in your used machine as if it were our own. Sodick can offer top-dollar values for any brand of EDM machine.

Inquire today and see how much Sodick can offer you towards your next upgrade, with no obligations!
